- ✧ Diagnose vacuum booster problems.
- ✧ Measures the vacuum level at various joints.
- ✧ Easy to use and quick to diagnose.

Application: For all vacuum assisted booster Cars/ MUV / Pickup / LCV with hydraulic brake system.

Part No: 29967523

HOSE CLAMP

Part No: 64947017

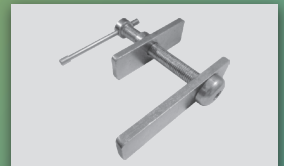

- ✧ To shut off the fluid supply to foundation brakes through flexible hoses.
- ✧ Simple diagnostic tool to identify issues by isolating foundation brake & actuation system.

Application: Cars / MUV / Pickup / LCV with hydraulic brake system.

PISTON RETRACTION TOOL (FRONT DISC BRAKE)

- ✧ Retracts caliper piston to its home position easily.
- ✧ Good workshop practice.
- ✧ Protects caliper piston and rubber boot from damage.

Application: Cars / MUV / SUV / Pickup equipped with disc brake.

Part No: 29800079

PISTON RETRACTION TOOL (REAR DISC BRAKE - INTEGRAL PARKING BRAKE)

Part No: 29800127

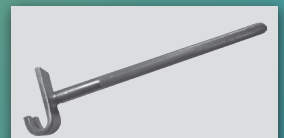

- ✧ Unique design to use in multiple IPB calipers.
- ✧ Retracts the piston to home position easily.
- ✧ Protects Caliper piston and rubber boot from damaging.

Application: Maruti S-Cross / M&M XUV500 / Hyundai Fluidic Verna, Elantra.

SHOE HORN

- ✧ Easy to lift the shoe without any slippage.
- ✧ Ensures safety for the mechanic during brake overhauling.
- ✧ Less force required on hand due to higher leverage.

Application: Cars / MUV / Pickup / LCV equipped with drum brake assembly.

Part No: 29800002

BUNDY SPANNER (SIZE: 10X11 & 12X13)

Part No: 29800098/99

- ✧ Used for proper gripping the bundy pipe nut.
- ✧ Thicker jaws increase the contact area with nut.
- ✧ Avoids damaging of nuts (rounding off).

Application: Cars / MUV / Pickup / LCV equipped with hydraulic brake system.

AUTO ADJUSTER TOOL KIT

- ✧ Tool kit to overhaul the LCV range of vehicle equipped with auto adjuster brake assembly.
- ✧ Consists of, brake adjusting, spring removal/assembly, wheel cylinder overhauling tool.

Application: LCV's - SML, Eicher, Mahindra, Ashok Leyland equipped with hydraulic brake system.

Part No: 29800064

EZBLEED PLUS

Part No: 29800101

- ✧ To bleed hydraulic brake & clutch system, Robust construction, Mobile bleeding.
- ✧ Artificial intelligence for better and easy user interface.
- ✧ Works with DOT 3, DOT 3+ & DOT 4 brake fluid.
- ✧ Works in vehicle battery power 12V/24V DC.

Application: Suitable for 3wheeler / Cars / MUV / Pickup / LCV.
